# WAS WESTERVELT RATTLED?

The Pitcher Says He Was All Right in the Unlucky Ninth.

iarations for the Kenturky Derby -Sporting Notes.

Huyler Westervelt, the young pitcher Treasurer Talcott persuaded to ke the amateur ranks for his proorids to have had the New Yorks win terday.' It was Westervelt's first full ofessional game in his own town, and big crowd of his old friends "on the atreet" (Huyler having been employed in Deacon White's office) sat on the leacheries rooting in dead earnest for im. The young pitcher was disolate, and assured a friend who mpanied him downtown that he wesn't rattled in that fatal ninth nning. However that may be, he was batted with exasperating frequency, and he may have been a bit dizzy when he Burke pirouette all around Allen's long grounder, and Davis do a song and dance with Hallman's musty hit. All through the game yesterday was that tardairsing inability of the New Yorkers to but the ball in the good old way that produces runs. Not a rooter on the bleachers yesterday but will agree that Westervelt had pitched a winning game up to that nightmare of a ninth inning. Only five hits were made up to that time. If his comrades could only have weited Weyhing the way they should and can, but apparently won't, why, the Glants would have 'two-roped' the Quakers. It doesn't serve any good purpose to throw rocks at Westervelt at his stage of the game. The boy has apeed, pienty of it, and he is a puzzler whe will fool the best of 'em. He is extremely ambitious, and if Manager Ward said, 'Huyler, I want you to pitch against Boston to-morrow,' the young ex-stock broker would hear it with delight. long grounder, and Davis do a song and

And just who will pitch against Bosand just who will pitch against Bosan is interesting to know, Meekin's
rm is very troublesome to him. It is
supply sore, and the last game he
oriced in.it was all in all a rare piece
inch-for him-that New York won
om Baltimore.
Roger Connor had the game well in
and for New York when his peach of a
it for three hillocks sent two runs in.
Tr. Ward will not shift the bulky Conor just yet.

In the opinion of a great majority of men who pose as critics of puglistic affairs Young Griffo, the Australian, has bitten off a bigger chunk than he can chew for his airst appearance in New York at Madison Square Garden, one week from to-morrow night. He hasn't been doing a great deal of training lately, but Jerry Barnett, Johnny Gorman and Eddie Loeber, of Brooklyn, who are to try not to be outpointed by him in four rounds each, are working hard every day preparing themselves. Loeber has been coming on very well of late. The showing he made recently in this city against George Dixon, quickly followed by his easy defeat of George Biddons, gave his Brooklyn friends so much confidence in his boxing ability, that they are willing now to back him against the remarkable colored lad for a good-sized sum. Should he make a faverable impression in his bout with Griffo there is no doubt but that efforts will be made to match him against the winner of the Dixon-Griffo encounter, which takes place in Boston, June 29.

The students of the University of Pennsylvania are indignant at the attempt of Manager Arthur Irwin, of the Philiadephia Club, to secure the services of Goeckie, their fine first baseman. They say Irwin was actuated by selfish motives and might at least have had the rood taste to wait until the end of the college season. The feeling against Irwin is all the more intense, because of the heretofore friendly relations between the professionals and the collegians. Goeckie, by the way, is said to be one of the best first basemen that ever covered that baz. He is a splendid hitter and can go up, down and sideways for balls and come back with them.

The athletes of the Pastime Athletic Club are pretty active these days, getting ready for the campaign now close at hand. The Pastimes intend to make their Club the representative one in the metropolitan district this season, if yossible. Among the men who may be seen on the track almost any evening are Rinn. Sam Liebgold. Mundle, Ryan, Levy, Kantrowitz, Dempsey, Donahue, Hollander, Huntington, Adee, Freeburg, Mallon, Murberg and Parley.

A Buffalo despatch says that the much-talked-of two-mile trotting furth for the championship of the world befor the championship of the world between C. J. Hamilin's Nightingale 2.10 1-3 and I. H. O'Dell's Greenlander (2.12) has been arranged. A forfeit of \$500 has been posted by both owners. The conditions will be best two in three for \$3,900, the race to take place during the circuit races at Buffalo in August. Nightingale last year placed the two-mile record at 433 1-4, which Greenlander later reduced to 4.32. Both of these records were against time.

The Chicago Inter-Ocean says: "Directum, the king of trotting stallions, maybe not be seen on the turi this year. While he was being driven from Dublin to Pleasanton, Cal., to take his place in the training stable of Hickok, he fell-badly injuring both his foreless. One of them is in such serious condition that grave doubts are entertained as to whether he will be able to stand training this year. The report of Directum's injury comes through The Breeder and Sportsman."

B H. Benton, for Dan Creedon, issued a challenge to Bob Fitzsimmons last night at Cincinnati to fight for the middle-weigh championship of the world. 158 pounds, allowing Fitzsimmons to weigh at 3 o'clock on the day of the contest, the match being on any terms Fitzsimmons may name, before the Olympic Club, New Orleans, or in England. The terms of the letter are very personal and abusive. . . .

The following comes from Louisville, Ky.: "Secretary Price has announced twenty-eight declarations for the Kentucky Derby, to be run May is. The entries are Advocate, Mechanic, Guif Stream, Guiding Star, Ludlow, Tonganozie, Square Fellow, King Charles, Julius, Onondaga (Triana Illy), Ouray, Glenangie, The Croker, The Iron Worker, Calumet, Spat, Taric, His Honor,
